AREA QUALIFIERS

NABBA Worlds/ WFF Universe Qualifier MID YEAR (May - June)

- All NABBA/WFF NZ Competitors must first compete and support their state of origin/regional /residency titles. To qualify for team travel concessions which ultimately lead onto the Australasian Region or other International events of their choice?
- The majority of mid-season events including the International & Southern Hemisphere Championships are open to all countries. i.e. New Zealand qualifier is the Christchurch Grand Prix.

- To qualify for the NABBA Worlds or the WFF Universe, all NZ athletes must first compete at their Regional/State titles and Qualify via the CHRISTCHURCH GRAND PRIX Championships. This is a mandatory requirement; there will be no exceptions to this rule under any circumstances.

NABBA Universe/ WFF Worlds Qualifier END YEAR (September – October)

- All NABBA/WFF competitors must qualify via their Regional/State of origin (residency) event before progressing to the New Zealand National Titles.
- No competitor can compete or qualify at another State event, you must be a New Zealand citizen or have permanent residency to compete.
- The only exception to this rule is if there is no preceding qualifier in your region/state or country of origin.
- To qualify for the NABBA Universe or the WFF Worlds, all athletes must first compete in their Regional/State show and Qualify via the New Zealand National Championships. This is a mandatory requirement; there will be no exceptions to this rule under any circumstances
